

Promethean®

ActivPanel®

The Premium Interactive Panel
for Immersive Learning

www.PrometheanWorld.com

The Industry's Most Natural Writing Experience

Innovative InGlass™ technology provides a smooth pen-on-paper writing performance enabling teachers and students to collaborate with ease.

Instant whiteboard

Free-form writing, palm erase, pinch-zoom technology, and much more.

Innovative InGlass™ technology

Highly accurate touch detection without any false strokes or response delays.

Intelligent pen design

Touch and pen differentiation without having to switch between software tools.

Educational Tools for Connected Learning

Powered by an upgradeable Android™-based module, the ActivPanel creates a captivating, tablet-like experience at the front of the classroom.

Access and download educational apps directly from your home screen to use with the whole class or individual learning.

Wirelessly mirror smartphones, Chromebooks™, tablets, and laptops to share content, ideas, and student work.

Connect Bluetooth® devices such as musical keyboards, digital lab sensors, and robots to support lessons and engage students.
